Salamander Rapid Tag Evac and Inventory Training

Class Description:

Iowa Region 5 Healthcare Coalition & Scott County EMA are excited to offer two separate training sessions with the Salamander System. This system is an incredibly versatile tool that can be used during any emergency, pre-planned event, or for day-to-day operations. The two training topics were specifically requested to work through a 'deeper dive' of the Salamander system.

The training for the morning of Day 1 & Day 2 will be similar, but the afternoon sessions will focus on Rapid Tag Evac or Salamander Inventory.

Day One-

- Salamander Solutions Overview
- Credentialing Overview inside Salamander LIVE
- Qualifications & training Overview
- New Events Pro & Preplanning Module Overview
- Lunch Break
- **Salamander Inventory**

Day Two-

- Salamander Solutions Overview
- Credentialing Overview inside Salamander LIVE
- Qualifications & training Overview
- New Events Pro & Preplanning Module Overview
- Lunch Break
- **Rapid Tag Evac**, which includes hands-on practice
